

MARINES GOLF & BOWLING

GOLF & BOWLING STATS:

900,000 – Average number of holes played Corpwide this year

76,740 – Total yardage of Marine Corps courses

Tee'em Up, Knock'em Down

TIPPING ONE BACK WHILE enjoying the camaraderie of good old fashion competition between friends is what the greens and alleys are all about.

It's no wonder, then, we found plenty of Marines who competed in the hopes of snagging a few of those birdies and turkeys.

The men's Marine Bowling team won the Armed Forces Bowling championships with a combined score of 9,199, edging out the

Air Force by a nail-biting three points, while the female team took fourth place. And on the links, Marines made some philanthropic drives to raise \$1,639 at the Navy-Marine Corps Relief Society Active Duty Fund Drive Golf Tournament in Okinawa.

With a chip, a put and the pick-up of a 7-10 split Marines made a difference this year across the globe and had a good time doing it. **M**
